Important Note: The list above covers the basic documents likely to be necessary for the visa officer to check that you have met the immigration rules. It does not cover every single situation, and producing all the documents on it will not guarantee you a visa. It is up to you whether you submit these documents, different ones, or additional ones. It is your responsibility to make sure that you have read the available information on the category of visa you want to apply for. Please make sure that you include all supporting papers with your application, and do not send or fax us any papers separately. The UK Border Agency may take a decision on your application based on the information contained here without interviewing you. Therefore please ensure you submit all relevant **original documents**, with a set of photocopies.
